U. S. Will Halt Aid To Fascist Nations

Hoffman For De Gaulle In Bid For Power

Washington, Sept. 10.—(AP)—Foreign Aid Administrator Paul G. Hoffman said today he would halt recovery aid to any European country that should set up a Fascist government.

And almost in the same breath he said Gen. Charles De Gaulle, making a new bid for power in France, "most certainly" is not a Fascist.

Hoffman, drawn into political waters by questions at a news conference, said the economic cooperation administration must, under the law, shut off recovery help to any country which goes communist.

"If a fascist counterpart of a communist government took office anywhere I would take exactly the same position," he stated.

Reporters promptly swung the questioning to France where De Gaulle is attacked by communists as a fascist.

No Fascist Regime In France

Hoffman said the question of France going either Communist or fascist is "academic." There is not "the remotest possibility" of a fascist regime emerging he said. Then, when asked whether he believes De Gaulle to be fascist, he replied with emphasis:

"Most certainly not."

Hoffman was much less specific on another prime item of controversy, the dispute at Paris on how big a share of ECA's \$5,000,000,000 first annual recovery program shall go to the British-American "bizon" of Germany.

He voiced high confidence that the dispute will be settled within the organization for European economic cooperation (OEEC), the council of 16 Marshall plan nations at Paris.

Takes No Position In Dispute

But he took no position in the dispute between General Lucius D. Clay, U.S. commander of the bizon, and the OEEC delegates. The latter reportedly agreed to allot around \$365,000,000 to Bizonia. Clay is understood to have insisted on \$100,000,000 more.

Hoffman said it would be "quite natural" if France and other Western European powers opposed the rebuilding of Germany if such a diversion of funds would retard their own reconstruction; and in any division of money a difference of opinion "is quite to be expected."

He conceded that the controversy has delayed the making of allotments for the year ending next June 30. The target date now is October 1, he said, as against the original deadline of September 1.

Indian Troops Will March Into Hyderabad

New Delhi, Sept. 10.—(AP)—Prime Minister Nehru said today that Indian troops will march into the princely state of Hyderabad regardless of opposition.

"We do not expect an easy march to Secunderabad (75 miles inside Hyderabad)," Nehru told newsmen. Asked what India would do if the nizam of the big state opposes the entry of troops, he said:

"We will march."

India has asked the nizam to facilitate posting of Indian troops at Secunderabad "to restore order." No answer has been received and Nehru said no time limit had been placed on the entry of the armed forces.

Hyderabad has appealed to the United Nations to act but no move has been made. U. N. sources express doubt that the U. N. can handle the case because of the question of whether the complaint originates with a sovereign government.

Fear Housewife And Son Abducted

Chicago, Sept. 10.—(AP)—A housewife and her four-year-old son were reported missing today, and the woman's husband told police he feared they were abducted.

Gilbert Nielsen, 28, a refrigerator salesman, said that when he came home from work today he found Mrs. Audrey Nielsen, 30, and their son, Ronald, missing and the house in a state of disorder.

Nielsen told police that Edward Trunk he suspected his family had been abducted by a Loop bartender, who had known his wife several years ago in Nashville, Tenn., and had followed her to Chicago.

Indict Former Airforce Officers In Bond Fraud

Boston, Sept. 10.—(AP)—Three former air transport command officers and a Boston broker were indicted today by a federal grand jury for alleged international, airborne traffic in American bonds valued at \$1,000,000 which were stolen by the Nazis in Holland.

U.S. Attorney William T. McCarthy, who described the bonds as "high-grade, blue chip" securities of the three indicted found it easy to bring in securities on their frequent Trans-Atlantic crossings.

Later they appeared in the French black market at prices much below their actual worth. Trading in the bonds, McCarthy said, had been forbidden by the Treasury Department.

The indictments charge the three officers, Edward R. Ashton of Enfield, Conn., and Seymour Lerner and Gerald A. Rowland, both of Brooklyn, N.Y., flew the bonds to this country and that Wendell M. Weston, the broker, disposed of many of them.

In purchasing and transporting the securities, according to the indictments, the officers violated the trading with the enemy act.

McCarthy said the government believed the trio conducted "a considerable business" in securities, banking some of the proceeds in Swiss banks to have American dollars available for additional purchases. The alleged violation occurred between Nov. 1946 and July 1947.

Weston, whose home is in Weston, Mass., was indicted on charges of purchasing and transporting the securities, according to the indictments, the officers violated the trading with the enemy act.

Grand Jury Names 'Axis Sally' In Treason Charge

Washington, Sept. 10.—(AP)—An American-born woman charged with broadcasting a series of "Home Sweet Home" programs over the German radio to American troops in Europe was indicted for treason today.

Known to wartime GIs as "Axis Sally," the defendant is Mildred Elizabeth Gillars, 47, a native of Portland, Me.

A federal grand jury charged that Miss Gillars aided Hitler's Nazi German government in its psychological warfare against the United States not only to weaken the resistance of Americans at home but also "for the purpose of weakening the fighting powers and the morale of U.S. troops overseas."

The 10-count indictment further accused her of violating her allegiance to the country of her birth and said she "knowingly, intentionally, unlawfully, feloniously and treasonably did adhere to the enemies of the United States."

Besides her "Home Sweet Home" broadcasts, allegedly designed to what the homelessness of American soldiers serving in North Africa, Italy and on the western front in Europe, the grand jury said Miss Gillars helped produce a radio drama entitled "Vision of Invasion."

Chicago Prisoners Trade Identities, Wrong Man Freed

Chicago, Sept. 10.—(AP)—Cook county officials today were pondering the case of a prisoner who traded identities with his cellmate and walked out of the House of Correction officially freed—by mistake.

John Connors, 30, had until Dec. 13 to serve on a six-month sentence for contributing to the delinquency of a minor. His cellmate, Harold Johnson, 30, was to have been released Aug. 23 after serving a 17-day sentence for vagrancy.

But on Aug. 23 it apparently was Connors—using the name of Johnson—who was released. Superintendent William J. Milota said today.

The identity switch was discovered yesterday when Johnson demanded to know why he had not been released Aug. 23 between then and yesterday he has been posing as Connors, Milota said, answering roll call by that name. Now he refuses to disclose his reason for trading identification with Connors, the superintendent stated.

Connors, who was released yesterday, is a 30-year-old man, born in Chicago, who was arrested in 1947 for contributing to the delinquency of a minor. He was sentenced to 17 days in jail.

Johnson, who was released yesterday, is a 30-year-old man, born in Chicago, who was arrested in 1947 for contributing to the delinquency of a minor. He was sentenced to 17 days in jail.

Russia Demands Account Of Berlin Supply Planes

Hint That Wartime Atom Secrets May Have Leaked Into Russia

CHARGE 3 WITH DEATH OF TOURIST IN EGYPT

Washington, Sept. 10.—(AP)—Egypt has informed the United States that three persons have been charged with the death of Stephen Haas, Philadelphia real estate man who was stoned to death by a mob in Cairo on July 18. Haas was in Cairo as a tourist when he was killed. His wife was injured.

The House un-American activities committee says it has evidence of the existence of an atomic espionage ring.

Groves directed the vast atomic project during the war. And he told reporters that everybody in an organization of 600,000 people couldn't be "the utmost integrity."

That was in answer to a question whether atomic scientists had leaked secret information to Soviet agents. The committee says it has testimony to that effect from a former army intelligence officer.

Representative McDowell (R-Pa.) says evidence also has been obtained that during the war Russia got from this country more than a ton of uranium compounds and 25 pounds of refined uranium metal.

On that, Groves told reporters that he didn't ship any and wouldn't have done so under any circumstances. And he said he had no recollection of any shipments whatsoever.

"I can't imagine it being shipped," he said.

But he said, too, the authority for such shipments would not have rested with him and he didn't know who did have it.

The committee called in several other witnesses today in preparation for open hearings later on.

Both Groves and Chairman J. Parnell Thomas (R-N.J.) had a crisp "no comment" as to what went on at the spy inquiry today.

The general now is retired and vice president of Remington Rand in charge of advanced research.

As to whether there have been leaks of atomic information to the Russians, Groves advised newsmen to read the report on the Canadian atomic spy case and draw "the obvious conclusions."

"After all," he said, "if you have over 600,000 employees, are all 600,000 going to be perfect? Are you going to have everyone of the 600,000 a person with the utmost integrity?"

The answer is obvious.

Of course, he said, the objective of the work "was to get the bomb so we could end the war and save American lives. Security was just a part of that job."

While Thomas' committee was holding closed door sessions, a House labor subcommittee went ahead with an investigation of complaints that communists control the CIO Fur Workers union and the union dominates the fur industry.

The subcommittee, headed by Representative Charles McNichols (D-Ill.), is holding hearings on the charges.

LEAVES 81 TO HUSBAND WHO MURDERED HER

Chicago, Sept. 10.—(AP)—Mrs. Louise Marie Pitts, 33, whose 31-year-old husband is charged with murdering her, left an estate valued at \$20,000 but only \$1 to her husband.

Mrs. Pitts' will was admitted to probate today. She was found dead, apparently strangled, Aug. 31. Her husband, Russell Pitts, 31, will appear in felony court Sept. 13 on the murder charge. A coroner's jury recommended yesterday that he be held to the grand jury on a manslaughter charge.

Soviets Pass Mail From Beset Berlin

Berlin, Sept. 10.—(AP)—American authorities today swiftly blocked a Russian attempt to snarl with red tape the joint U.S.-British airlift supplying Berlin.

A Soviet note to the four-power air safety center demanded detailed flight information concerning the supply planes, but U. S. officials replied that the Russians already were getting adequate information. The huge transports have been getting supplies to Berlin since the Russians blockaded the city last June.

AIR FORCE DAY SEPT. 18 WILL IMPRESS NATION'S NEED FOR STRENGTH IN SKIES

Air Force Day this year will be observed on September 18—the first anniversary of the official beginning of the United States Air Force as an autonomous branch of the Armed Forces of the United States under the National Security Act of 1947, with equal status for the Army and Navy. Nineteen forty-eight also marks the 41st year of the existence of the nation's first military air arm, which was established August 1, 1907, as the Aviation Section of the Signal Corps. This is the fourth observance of Air Force Day.

The purpose of Air Force Day is to emphasize the meaning and significance of air power and the importance of the Air Force to the security of the country and to the peace of the world. The yearly observance also serves as an opportunity to review the Air Force's contributions to peacetime progress as well as to military preparedness; to remind the public of the need to help provide and maintain an adequate air arm; to demonstrate why there must be a constant program of research and development, and to pay tribute to the Americans who pioneered the development of air power and who have served their country in the air.

To the basic theme—Air Power is Peace Power—the Air Force this year adds—Know Your Air Force Better. It is essential that each citizen be reminded that air power means an adequate Air Force in being, a strong manpower reserve in the form of a trained Air Force Reserve and Air National Guard; a strong aviation industry, and a continuing program of research and development. In addition, Americans should know that their Air Force is a volunteer organization made up of some of their best young men; that the Air Force trains its men superbly in individual skills and in team tactics; that the Air Force provides the most modern and efficient equipment that it and a cooperating industry can devise; and that the Air Force as a whole is an integral part of the Nation and its bases and men parts of their individual neighboring communities. The continuing research in all fields that produce supersonic speeds in the X-1, progress in all-weather flying, solution to polar navigation problems, and substantial extension of heavy bomber ranges are developments that point up the need for continuing public support of research. Young men should have the chance to learn also of the excellent career opportunities available in the Air Force; and of the choices open to those who qualify in the fields of pilot training and in specialized aeronautical skills.

Air Force Day observance will be conducted by the Air Force on Sept. 18, throughout the United States and at our stations overseas. The Air Force Association, a national organization of Air Force veterans, will sponsor the observance, in cooperation with other civil, patriotic, and fraternal organizations. Activities in this country will include "open house" days at all Air Force Bases, at which it is planned to interchange aircraft to permit more types to be on view to more people; ceremonial dinners and banquets, special network broadcasts, television programs, motion pictures, and special exhibits.

Rainbow Girls Hold Installation

More than three hundred persons, including guests from New Berlin, Loami, Beardstown, Quincy, Normal, and Pontiac, were present at the formal installation ceremonies held at the Masonic Temple by Assembly No. 19, Order of Rainbow for Girls. The ceremony began with the entry of the opening worthy adviser, Donna Crane, Neill Aard, Wanda Wild, Mary Ann DuBois, Louise Ford, Mrs. Mabel Olsen and Ernest Pires. Junior officers installed were Virginia Holwell, Joan Crawford, Joan Sanburg, Blanche Tankersley, Marilyn Reeve, Shirley Wallihan and Betty Query. The 8 o'clock intercession service by the DeMolay boys, Dean Sims, Bill Jarrell and Loren Mueller, followed. Introductions included Miss Fulton's parents, Mr. and Mrs. Charles H. Fulton. "Always" was sung to them as they were presented with gifts. "Life's Rainbow" was sung by Mrs. Mabel Olsen as she received her gift. Jerrie Wood read a poem to Ernest Pires and he received a gift. Others introduced were members of the advisory board, past and present worthy advisers, grand officers, and all officers of any Masonic or Eastern Star order. Ushers for the evening were Rol-

A public auction was held Friday morning at the court house at which all right, title and interest of the A. C. Moffet estate in and to an undivided and undetermined equitable interest in the residuary estate of the late Amelia E. Moffet was disposed of.

The highest bid of \$3,200 was made by E. M. Case, representing three heirs of Amelia E. Moffet who died about 45 years ago.

William A. Doolin of Waverly was auctioneer. Fred N. Herr of Waverly is attorney for the executor of the A. C. Moffet estate.

Korsmeyer Farm Sells At Auction

The Korsmeyer farm of 180 acres, two and one-half miles northeast of Meredosia, was sold at public auction Friday morning to Alvin Middendorf, whose bid of \$110 an acre was the highest of several prospective purchasers. Heirs of Henry J. Korsmeyer held the sale, with Carl Tiemann acting as their agent. Merle Beddingfield was auctioneer. A seven room house, barn and other outbuildings are located on the property.

Virginia—Mrs. Anna Ruby, widely known as the "Sunbonnet Lady," and Virginia's oldest citizen, will celebrate her one hundred and third birthday anniversary Sept. 13.

The aged woman discontinued active work only recently and entered the Massey convalescent home on North Front street, where she will receive her friends from 2 to 4 p. m. on Sept. 13.

Mrs. Ruby earned her surnames by making sunbonnets for a living after she was left a widow some years ago. Often she made 300 sunbonnets each year and sent them throughout Illinois and neighboring states.

She receives an old age pension from the state, but would accept only a small grant from the Illinois Public Aid commission until the cotton shortage during the war decreased her earnings.

The aged woman now nearing her one hundred and third anniversary says she has never been ill and never has had occasion to call a physician.

Despite her age she still does a little quilting.

Scouts And Cubs To Attend Camp This Week End

The Abraham Lincoln council, Boy Scouts of America, will hold its first big fall Scouts meeting at Camp Illinois this Saturday and Sunday. The event has been labeled, "Hoe Down," and is a part of region seven's "Invitation to Adventure," which has been in full swing for the last year.

Local Scouts and Cubbers, who will help as instructors include Olen Gotschall, Mr. and Mrs. H. J. Strohman, Lawrence Crawford, Robert Wallace and Walter J. Schildman. A large number of Scoutmasters, Cubmasters, Den Mothers and Scouters plan to attend.

The event is for both Cubbers and Scouts; it will replace the fall Pow-Wow for Cubbers and the planning meeting for the older boys. The program will be broken into two sessions, "The Larkin" and "Doin' it" and the "Showin' and Tryin'." Other topics to be studied are hiking, camping, program planning and handiwork.

The group will make vests Saturday afternoon and a barbecue will be held that evening. A feature of the day will be a swapping session, when Scouts and Cubbers will trade ideas and things they have made.

Scouting in Morgan county is supported by the Community Chest.

Births

Mr. and Mrs. Robert Cisno, 1108 West State street, are parents of a son born at Our Saviour's hospital at 12:43 a. m. Friday. The infant weighed four pounds, 14 and one-half ounces.

Mr. and Mrs. Ray Maul, rural route three, Jacksonville, are parents of a daughter born at Passavant hospital Friday at 4:34 a. m. The weight was six pounds, eight ounces.

A daughter weighing six pounds, ten ounces was born Friday at 5:55 a. m. at Passavant hospital to Mr. and Mrs. Alvin Hall of Palmyra.

Open House Will Be Held Sept. 23 By Retail Stores

Fall open house will be held by a large number of retail stores in this city on the evening of Sept. 23, according to announcement by the Retail Council of the Chamber of Commerce.

Stores will be open from 7 to 8 p. m. on that date, permitting the public to inspect fall and winter merchandise at its leisure.

Band music will be provided in the Central Park area.

A number of stores will feature living models, animated displays and other attractive methods of introducing new merchandise.

The Retail Council announced that clerks will be available in the stores to guide the visitors, but that no selling will be done during open house except at the insistence of the customer.

Open house attracted a large crowd to the business district last fall. It enables the public to get a close-up of seasonal merchandise during hours which are convenient to most persons.

Janet Lee Shadid Leaves Hospital

Miss Janet Lee Shadid, 16 year old Jacksonville girl who suffered an attack of polio several weeks ago, was able to leave St. John's hospital Friday in Springfield, and was brought to the home of her parents, Mr. and Mrs. Leroy Shadid, 1606 Elmwood.

Miss Shadid responded to treatment at the hospital and is believed to be well on the road to recovery. She will not be able to reenter high school for some time, but will remain at home under special treatment.

Immanuel Ladies' Aid Thanked By European Family

Arenzville—A letter of thanks from a family in Europe, which had been befriended by the Immanuel Lutheran Ladies Aid society, was read at the society's regular meeting.

The meeting was conducted by the president, Mrs. Albert Lovekamp. Members voted to send a package of food and clothing to an orphanage in Europe.

The Sunshine committee reported making several sick calls. A collection was taken to help pay for the new curtains in the church.

The meeting closed with members reciting The Lord's Prayer in unison. Refreshments were served by the hostesses, Mrs. Julius Stanke and Mrs. Herbert Tegeder. Sailing was done during the afternoon. One guest was present.

A touch and you GO—that's DYNAFLOW!

Yes, it boils down to just about that. You start your engine, set a lever—and from then on your treadle foot takes over.

You press the accelerator—and move softly and smoothly away.

You speed up, slow down, halt completely—and your right foot alone, operating gas treadle and brake, does it all.

How come? Simply because Dynaflo Drive is the one passenger car drive in America that gets completely away from gears which function in fixed stages.

Changes in the way oil flows, instead of changes in gears, adjust your engine power to your driving requirements.

Whether you are starting out, climbing a hill, surging past others or cruising easily, there's nothing for you to do except feed gas.

For very fast starts, extreme pulls, reserve braking power, you flick the selector lever—and your engine seems suddenly to double in size.

For parking, there is a very special setting, exclusive to Dynaflo Drive, that rigidly locks rear wheels.

Even rough and chattery roads are made smoother by power that flows along through a cushion of oil—your whole car is "sweeter" in its feel, far silkier in its actions.

Quite rightfully is Dynaflo Drive called the most important development since the self-starter.

It's a basically different way of transmitting power—and one you should know about firsthand.

See what your Buick dealer can do about arranging that for you. The merest sample of Dynaflo magic will make you want to place an order pronto, whether or not you have a car to trade!

Here's your Buick Dealer's Four-Square Selling Policy

1. NO PRICE FIDDING. You receive an itemized bill of sale. We display all prices in our showroom.
2. NO "LOADING" OF ACCESSORIES. All cars are delivered with accessories as ordered; no "extras" except those you specify.
3. NO COMPULSORY TRADE-INS. We will accept your order and deliver your car with or without a car in trade.
4. NO COLLUSION WITH "GRAY MARKETERS." We will not knowingly sell Buick cars to anyone who operates in the "gray market."

Dora B. Moore, Longtime Nurse, 34 Next Sunday

Miss Dora B. Moore, one of the first women from Jacksonville to enter the nursing profession, will quickly observe her 84th birthday anniversary on Sunday, Sept. 12.

Miss Moore has spent her entire life in this community. She was among the first graduates of the Passavant Hospital School of Nursing.

She had been in nursing for 50 years before ill health forced her to abandon her work. For the past 18 months she has been a patient at Passavant hospital.

Junior Woman's Club Outlines Fall Activities

Fall activities were planned by the Jacksonville Junior Woman's club at its opening meeting of the new club season Thursday evening at the Dunlap hotel.

The meeting was opened by the president, Mrs. Marjorie Graves. Piano selections were presented by Mrs. Lloyd Bieber, who was introduced to the group by Mrs. Mildred Zeller, program chairman.

It was decided to hold a benefit bridge and style show in the near future. Mrs. Lynn Ferguson and Mrs. Robert Kerr were named co-chairmen for the bridge party and Mrs. Mildred Zeller and Mrs. Bayard Hopper are in charge of the style show. Miss Nadine Massey heads the decorating committee and Miss Jo Moss is ticket chairman.

Plans were also made for a bake sale, with Dorothy Peabody and Ruth Mary Miller in charge. Mrs. Peggy Ezzard and Mrs. Marjorie Clark were named to serve on the investigating committee.

A report on the state convention, which took place in Chicago last May, was presented by Mrs. Dorothy Peabody, club delegate.

The club year books were distributed to members.

Guests at the meeting were Mrs. Dorothy Wimberly, Mrs. Mesha Ervin and Vivian Friggle.

Athletic Slugger Breaks Slump With Sandlotter's Bat

Washington, Sept. 10—(AP)—There's a bargain in baseball bats awaiting some Washington sandlot players.
The bargain is being offered by Morris Fain, Philadelphia Athletics first baseman.
Fain and several other members of the Philadelphia club had some time on their hands Wednesday and decided to get rid of their hotel lobby boredom by watching a nearby sandlot baseball game.
After the end of the game, Fain noticed a bat left behind by one of the young players. Not wanting to leave the hickory cudgel at the mercy of the weather, Fain picked it up and carried it back to the hotel.
Wednesday night, the A's met the Washington Senators in a two-night doubleheader with Fain in the times of a batting slump.
In the twilight game, Fain went to the plate four times without a hit—using his usual clubs from the A's back rack. That made nine straight flubs for the Mack first sacker.
When it came Fain's turn to face Washington hurler Dick Volk in the second game, he remembered the sandlotter's bat. Fain picked up the stick, swung it idly a couple of times and liked the feel of it.
He decided to give the bat a try and banged out a single, scoring Eddie Joos; with the A's first run. In five times at bat that game, Fain made three hits and batted in two runs. The A's won both ends of the twin bill, 10-7 and 5-2.
"Nobody could get that bat away from him now," said A's battery coach, Earle Brucker. "He has a new log."

Softball Contest Thursday Night Postponed

The city softball championship is still off from decided. Last night's crucial AA league encounter between the American League and the Jacksonville Merchants was postponed at the last minute Thursday when the Legion aggregation reported that it could not assemble its entire outfit.
Playing of the tilt, the final regularly scheduled combat on the league schedules this summer, will not take place until after next week's "softball carnival."
The Jacksonville Merchants are one game down in the won and lost columns of the AA circuit and will have to take the crucial final game to retain a chance for the crown. In the event the Merchants are victorious, a playoff will be necessary.
The Jacksonville Recreation club softball committee reported Thursday evening that AA league managers have been uncooperative in plans for the "carnival" next week. Instances of other games being scheduled by several of the teams have been reported and half the managers have still failed to turn in their all-star nominations. A conference will be held today to map plans. Announcement of what can be expected will appear in Saturday's newspapers.

Barley nominal: malting \$1.18-1.60; feed \$1.00-1.22. Field seed per hundredweight nominal: sweet clover \$1.00-1.30; redtop \$1.00-1.30; timothy \$0.90-1.00. Soybeans: none.

CHICAGO LIVESTOCK MARKET REPORT

Chicago, Sept. 10—(AP)—Hog prices took a tumble of 50 to 75 cents today but even at the lower level of trading an estimated 1,000 head were held over unsold at the close. Cattle on the other hand were strong to 50 cents higher and sheep varied from steady to 25 cents higher on lambs to \$1 more on yearlings.
Most good and choice butcher hogs sold from \$26.50 to \$29, but these values were for weights 360 pounds and below. The top was \$29.25. Sows sold from \$22.75 to \$27.25 and a top of \$27.50.
Choice cattle were absent. Good to low-choice fed steers had \$34.50 to \$38.50 and good fed heifers made \$36. Good beef cows sold as high as \$25, as also did bulls, while good and choice vealers at strong to \$1 higher money bracketed at \$28 to \$31.
Native spring lambs ranged from \$26.75 to \$27, the top on good and choice grades. Similar quality yearling weathers brought a single price of \$25 while a few slaughter ewes graded good and choice took \$11.50.
Total receipts included 7,500 hogs, 1,700 cattle, 300 calves, and 2,000 sheep.

New York Stock Market

New York, Sept. 10—(AP)—Stocks continued on the losing side today for the third straight session in a quiet market.
The volume of trading was about 950,000.
A mixed start was followed by a brief rally which quieted down before the close in the absence of buying offers at the slightly higher prices.
A general decline set in and the volume of trading expanded markedly as selling orders reached the stock exchange floor. Within a short time the trading pace became one of the best of the week after earlier periods when it appeared headed for the position of lowest in the last four trading days.
Steels, motors and rails were leaders on the decline while metals and oils were irregularly lower.
Down were U. S. Steel, U. S. Rubber, Phelps Dodge, American Can, Johns Manville, International Paper, Chesapeake & Ohio and Standard Oil (N.J.).
Gaining a bit were Youngstown Sheet & Tube, Fibresion, Sears Roebuck and General Electric in an increased dividend.
Trading in the bond market was quiet. There was little activity over the counter market, with dealers reporting prices marked down very slightly.

GRAINS MAKE SOME GAINS; Awaiting COT.

Chicago, Sept. 10—(AP)—Grains made slight advances on the board of trade today. Even the new crop corn futures managed to eke out some minor gains as the market awaited an agriculture department report forecast due after the close.
Short coverings featured September wheat, but was not very important in wheat. Open interest in September wheat at the start of trading was only 2,801,000 bushels, compared with 5,873,000 bushels in September corn and 18,382,000 bushels in September corn.
Wheat was aided by an increase in government cash grain buying and reports of foreign food shortages. Corn took its cue from the firm September contract. Oats followed corn higher.
Receipts were: wheat 14 cars, corn 59, oats 16 and soybeans 1.
Wheat closed 1 to 1 cent higher. September \$2.24-1/2, corn was 1/2 to 2 cents higher, September \$1.68-1/2, oats were 1/2 to 1 higher, September 11-12, rice was 1 to 2 cents higher, December \$1.55, and soybeans were 21-31 higher, November \$2.34.

East St. Louis Livestock

National Stockyards, Ill., Sept. 10—(AP)—(USDA)—Hogs: 4,500; bulk good and choice 200-280 lbs 28.00-29; top 29.25; few 270-300 lbs 28.00-29.00; 400-470 lbs 24.00-26; 160-190 lbs 27.75-29.00; 190-180 lbs 25.00-27.25; largely 25.50-27.50; 100-120 lbs 22-23; 150; sows 400 lbs down 25.00-27.00; heavy weights 22.00-24.50; Stags 17.50-20.00.

Sheep, 1,000; few good and choice spring lambs strong to 25 higher at 25.25-25.00.

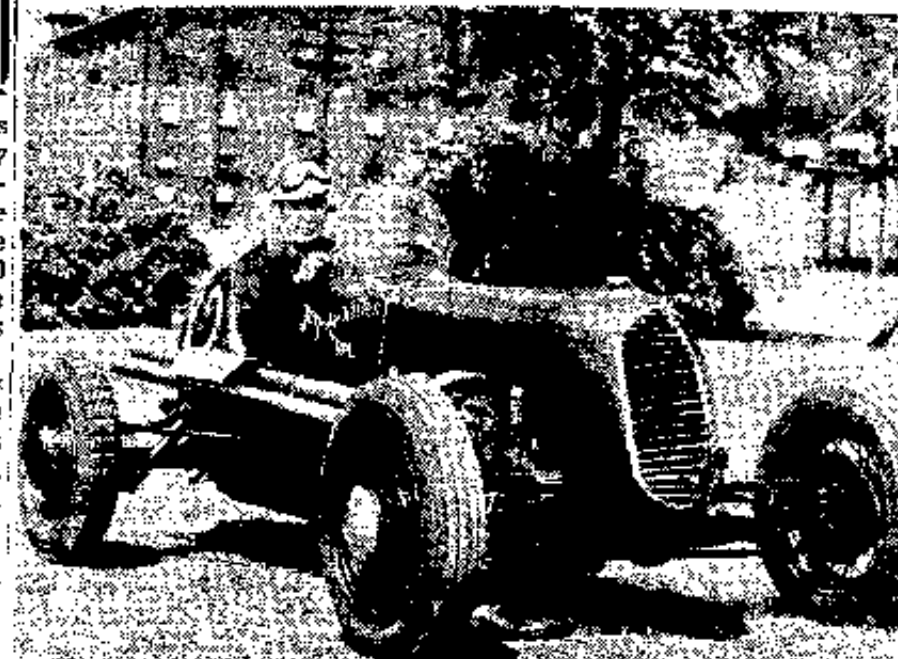

Markets at a Glance

New York, Sept. 10—(AP)—Stocks—Lower; general decline continues.
Bonds—Easy; railroad income issues lead retreat.
Cotton—Irrregular; mill buying fairly active.
CHICAGO:
Wheat—Steady; foreign countries; buy flour.
Corn—Steady; short-covering.
Oats—Mixed; trade light.
Soybeans—Firm; very light offerings.
Hogs—Slow and 50 to 75 cents lower; top \$29.25.
Cattle—Strong to 50 cents higher; choice absent.

Johnny Joy Will Race Here

Johnny Joy of Quincy, Ill., is shown at the wheel of his Achilles Special which he has entered in the Zingebad Grotto auto races to be held at the Morgan county fair grounds on Sunday, Sept. 13. Joy, well known as a dirt track driver, lived in Jacksonville when his father operated the Joy Garage, and attended school here. At present he is employed by an auto parts company at Quincy, but devotes considerable time to his hobby of automobile racing.

DiMaggio's Grand Slam Homer Leads Yanks To 11-6 Win Over Bosox

Boston, Sept. 10—(AP)—Joe DiMaggio's terrific four-run homer into the center field bleachers in the 10th inning today, powering the New York Yankees to an 11-6 victory over the American League leading Red Sox before 27,329 fans.
It was DiMaggio's 34th homer of the season, his second grand slammer and boosted his runs batted in output to 134.
The triumph, only their second here this season in nine games, pulled the Yanks to within two-and-a-half games of the Sox whose winning streak ended at nine.
By winning the Yanks also kept a game ahead of the third place Cleveland Indians, who smothered the Detroit Tigers, 10-1.
Another of the "Old Yankees," Tommy Henrich, also batted and fielded—in championship form to keep the visitors "in" the three hour and 20 minute contest.

Decline To Name New Boxing Champ Until Louis Quits

Paterson, N. J., Sept. 10—(AP)—Notwithstanding sundry rumors to the contrary, President Abe Greene of the National Boxing Association said today no new heavyweight champion will be declared until Joe Louis retires officially.
That puts the damper on any hopes of matching the winners of the Jimmy Bivens-Ezzard Charles and Jersey Joe Walcott-Gus Lesnevich fights and calling it a slide contest. Bivens and Charles tangled in Washington Monday, and Walcott is slated to meet Lesnevich in Jersey City, Sept. 21.
Greene, however, did leave the door open. He said that the heavyweight middle probably would be the main topic on the agenda when the NBA convenes for its annual meeting for three days starting Monday in Philadelphia.
"Obviously, the winners of the two fights would be considered the outstanding fighters in the heavyweight division," Greene said, "but that's not news. Who else is there?"
Green said that Louis would be the guest at the NBA's dinner Tuesday night, and that he expected some definite word to be forthcoming from the champion at the time.

Girard Squad Tops Greenfield 6-0

Greenfield—Norman Klau of the visiting Girard eleven went through the middle of the line for a five yard gain to score the only tally in Friday night's opener. Girard was 6-0.
The single score came in the middle of the last period after both squads had battled an even terms throughout the tilt. Greenfield put on a spirited drive, but was stopped on the ten yard marker with only a minute to go.
Klau went over on the second down after the visitors landed into a scrooping position via a long pass. Rossetto of Carlville was the referee. Voyles of Mt. Olive was the umpire and Ernest Savage of Jacksonville was the headlineman.

Inexperienced Crimson Squad Loses 53-7 Tilt To Powerful Pittsfield

Musial's Single Gives Cardinals 6 To 5 Triumph

Pittsfield—(Special)—After stunning a large crowd with a brilliant, inspired opening offensive showing, a green Jacksonville high school football team, displaying little knowledge of grid fundamentals, went down to defeat before Coach Glen Smith's Pittsfield powerhouse here Friday night, 53-7. The licking was the worst in the last decade of Pittsfield-Jacksonville rivalry.
The Saukees were terrific. After a few first minute lapses, they went to work and methodically rolled up point after point, even with their first and second team backfields watching from the sidelines.
By their lop-sided decision, their third in 12 seasons of competition, with J.H.S., the Indians served notice on Illinois Valley conference teams that Pittsfield is out after the title it so narrowly missed last time out. Loaded with lettermen, the home team proved Friday night that it will have to be reckoned with in 1948.

Most satisfying to Coach Smith and his assistant, Carroll Lewis, probably was the showing of the Indian substitutes. The Saukees showed tremendous depth. In fact, they opened the combat without two veteran linemen, both of whom had minor injuries.
Jacksonville was right in the battle for individual honors, however. Stan Sports, Coach Kraus' haard one real veteran, showed all the gridiron skill that he has accumulated as he reeled off several sensation broken field dashes. He whipped through the on the Pittsfield team at the close of the game before he was finally brought down on the five-yard stripe.
Pittsfield's apparent nomination for the star of the game was Bob Kattelman, a four-year letterman at the Pike county school. He gained ground consistently when given the ball. And once again he proved that he'll be valuable on points after touchdown. Although several of his boots went astray, each was near enough to the center to give visiting team concern.

There is no doubt but what Spotts was the sparkplug of the Jacksonville attack. He spearheaded their opening quarter drive to the Pittsfield three. But the small, speedy senior was injured mid-way in the initial period. When he left the contest, the Crimson's hopes went with him. He re-entered in the fourth chapter and once again brought the fans to their feet with his brilliant work.
Jacksonville's glaring weaknesses were in line play, tackling and pass defense. And the Morgan county eleven never was able to get its aerial plays to click. The inexperience of the visitors was evident in their lack of fundamentals.
One thing was not missing on the Jacksonville team, however. That was spirit. The club probably showed more pep than any outfit fielded at J.H.S. in the last five years.
Pittsfield didn't waste any time in scoring. Kattelman took the ball on his own 20 on the first Saukee play from scrimmage and legged to the J. H. S. 15 where Spotts pulled him down from behind. Two more runs put Kattelman over, however, and the parade had begun. Kattelman, not only one of the eight touchdowns, but he booted three extra points and sparked the Pittsfield offense. Other tallies were chalked up by Niebur (2), Collier, Hubbard, Ferguson, Chaplin and Zimmerman on a pass from Sidwell. Two passes by Williams, one to Zimmerman, the other to Parks, accounted for the other extra points.
Jacksonville's lone score came in the fourth period. It followed a Pittsfield fumble on the Saukee 25. Mills and Todd gave Spots a bit of assistance in moving the ball to pay dirt, but it was the J.H.S. game captain who noimed the market and the extra point. Another recovered fumble almost gave Jacksonville another six points on the beautiful 30-yard run of Spotts.

Jerseyville Downs Pleasant Hill By 34 To 0 Score

Pleasant Hill—(Special)—The accurate throwing arm of quarterback Bur Davis was Jerseyville's most potent weapon here Friday afternoon as the Panthers opened their 1948 football campaign in impressive style by disposing of Pleasant Hill 34-0.
After getting off to a shaky start, Jerseyville settled down in the second quarter. Once Davis and his mates let loose, there was little doubt about the eventual outcome. Jerseyville didn't have too much success penetrating the rugged host line, but found passing and end runs quite easy. Freeman, 215-pound Pleasant Hill tackle, was a standout performer on both defense and offense.
The Jerseyville outfit rolled up 13 first downs, compared with four for the losers.
Pleasant Hill's greatest threat came in the first quarter, when they moved to the visitors' 26-yard line. Davis threw three touchdown passes, two to Herb Landon and one to Jim Waggoner. He also chucked for three extra points, to Waggoner and one to Landon.
Ralph Bailey, right halfback, scored another tally, his on a short plunge after three straight runs had carried the winners into scoring territory. A Davis pass set up the Ferguson, Chaplin and Zimmerman end to count. Bailey also got the other extra point on a plunge.
Score by quarters:
Jerseyville.....0 14 7 13-34
Pleasant Hill.....0 0 0 0-0

THETA RHO TO MEET

The Theta Rho Girls club will meet at 8 p.m. Monday, Sept. 13, at the I.O.O.F. Temple on East State street.
Plans for the year's work will be discussed.

LIONS FALL FESTIVAL Will continue through Saturday—Free entertainment plus rides and concessions. Come out and play Bingo.

Ann Arbor, Mich., Sept. 10—(AP)—Michigan's Wolverines went through their longest punting drill of the fall practice season today but the halfback who probably will handle most of the kicking chores—Gene Derrick—watched it all from the sideline.
Derrick, vesting a bruised hip, was on hand for limbering up exercise only and didn't take part in scrimmage.
Handling the kicking chores for almost an hour against charging linemen were sophomore Halfback Orman of Milwaukee, holder Right Half Walt Tenings of Chicago and Fullback Tom Peterson of Racine, Wis. Tenings' boots were long and high.

MISS GERALDINE HAMNER

Mr. and Mrs. Eugene Lee Hamner, of Louisville, Ky., have announced the engagement and approaching marriage of their daughter, Geraldine Marie, to George William Davis, son of Mr. and Mrs. Alfred Lee Davis, 106 West State Street.

Miss Hamner was graduated from the Kentucky Home Private School for Girls, in Louisville, Ky., in June of this year. Mr. Davis was graduated from the Jacksonville High school with the class of 1942. He attended Illinois College and the University of Louisville and is now associated with The Sportsman sporting goods store in Louisville. The wedding date is set for Friday, Sept. 24.

Decatur Principal Addresses Faculty Of MacMurray

Lee D. Piott, principal of the senior high school of Decatur, Ill., addressed the faculty of MacMurray College Friday evening at the second session of the Faculty Conference that is being held prior to the opening of college. Mr. Piott spoke on the subject "A High School Principal Looks at His School."

Mr. Piott discussed the problems confronting the high school in Decatur and explained the plans that are now being used to organize vocational education in that city.

The conference opened with a noon dinner meeting at which President McClelland and McKendree Blais presented papers.

Marine Detachment Selects Officers, Names Delegates

Officers for the coming year and delegates to the national convention of the Marine Corps League were chosen at a meeting of the Jacksonville detachment held Thursday evening at the Amvets hall.

C. P. Siegfried was elected commandant. Other elective positions were filled as follows: Robert J. Talamine, senior vice commandant; John Paul Johnson, junior vice commandant; Basil B. Sorrells, adjutant; Raymond O. Parnham, judge advocate; Albert Andrews, sergeant-at-arms; Robert E. Spink, chief of staff; Dr. Joe Patterson Smith, chaplain.

Siegfried succeeds Basil B. Sorrells.

The new commandant appointed the following men to standing committees: Activity, Albert Andrews and Russell Jones; rituals, R. J. Talamine and Bob Spink; membership, Basil Sorrells and Marion Thorne; entertainment, John P. Johnson.

The national convention will be held Sept. 22-25 in Milwaukee, Wis. The famed Marine Corps band, by a special act of Congress, will be present. General Gates, commandant of the Marines, along with other dignitaries of the various services, will be on the program.

Delegates from the Jacksonville detachment are John Paul Johnson, Nyle Stromwater and Farrell McDonald.

The next meeting will be on Thursday, Oct. 7, at the same place.

Another Morgan Boy Raises Ton Litter

It evidently takes a combination of youth and Duroc hogs to get into the ton litter class. At any rate the first bunch of hogs to hit the 2,000 mark in 180 days that has been reported to the Journal Courier this year was raised by Robert D. Jones, a member of the Franklin chapter, Future Farmers of America.

Last year Eddie Hynes, son of Mr. and Mrs. E. E. Hynes, rural route 4, was the only successful ton litter producer in Morgan county and one of the very few in the nation. He also raised Durocs.

Shown in the accompanying photo are Jones' eight hogs. They tipped the beam at 2,040 pounds when weighed 180 days after farrowing on March 3.

The dam, Laddie Princess, was purchased from J. O. Primus of Fancy Prairie on Nov. 1, 1947. The sire was Big Promoter of the Lehigh Farms, Pleasant Plains.

Shown in the other photo is Robert, 14 year old, and the prized gilt of the litter. She and five of her sisters will be sold at the Welch-Skaggs night sale in Waverly on Oct. 7.

Robert has lived with his aunt and uncle, Mr. and Mrs. George Hills, since he was a year old.

The heaviest hog weighed 276 pounds; the runt tipped 235 to make a litter average of 255 pounds.

Individuals out of the litter garnered 17 ribbons when shown at the Greene county fair and at the Waverly 4-H FFA fair. The gilt shown won the reserve championship at the former exhibit.

George C. Richter, Jr., is the agriculture instructor at Franklin.

SOCIAL WORKER GAINS UNIVERSITY DEGREE

Miss Mary Helen Johnson, daughter of Mr. and Mrs. John Johnson, 1232 South Main street, received a master of arts degree in the school of social service administration, University of Chicago, on Sept. 2.

Ohren Reelected Head Of Illinois Electric Co-Ops

Springfield, Ill., Sept. 10.—(AP)—Edward P. Ohren of Pocatamos has been reelected president of the Association of Illinois Electric Co-operators.

Reelected with him at the annual convention's opening session yesterday were John Sargent of Rushville, vice president, and Everett R. Read of Woodbine, secretary-treasurer.

The only new director elected was George Pape of Jacob.

The convention received a report that rural power cooperatives of Illinois will need 80,000 kilowatts of electric energy when they reach their growth.

The report on needs of the 27 co-operators and possible sources of supply was presented by Hayden C. Hood, representing an engineering firm which made a preliminary study.

Mt. Emory Baptist Rally Will Close Sunday Afternoon

The congregation of Mount Emory church will bring to a close its \$2,000 rally for the benefit of the church with special services to be held at 3 p.m. Sunday.

The pastor, the Rev. A. Vanderbilt Harris, will preach and special music will be presented by the church choir.

Proud of its 111th year of continuous service in this community, the congregation requests all their friends to attend the special service tomorrow.

The church was organized in 1837 by the Rev. John Livingston and the Rev. Samuel Ball at a meeting which took place in a building located on the west side of South Church street, between College and Marion streets.

The present edifice is located at the corner of Church and Marion streets.

The benefit rally opened on the first Sunday in August. Its ultimate success Sunday will depend upon contributions from the friends of the congregation, the pastor said Friday.

Discusses What U.S. Would Do If War Comes

Should the United States and Russia engage in war at once, the American strategy, probably would be to get out of Germany as fast as possible with as many men and as much equipment as possible. Dr. John Wright of the Illinois College faculty said last night while addressing the Optimist club.

"War with Russia right now would mean that the United States forces now in Germany would try to get to England as fast as possible," Dr. Wright said. He then outlined this country's probable moves if it has more time to build up its armed forces before and if another war comes.

Should the present insecure peace continue for some time, the United States will expand its forces until it could make a determined stand in Europe without total evacuation of forces, Dr. Wright believes.

U.S. Expanding Army

He pointed out that this country is now engaged in expanding its army to between 18 and 20 divisions.

When this is accomplished he believes the United States would be capable of making a stand on the Rhine, with the assistance of English, Belgian and Dutch forces.

"Everyone hopes that peace negotiations will bear fruit and that another conflict can be averted," the speaker said. "But if war comes, it would be far more difficult for the United States to begin all over again by the invasion of Europe, than to carry on a campaign from bases already established on the continent. The Normandy beach head with its heavy loss of lives was given as an example of invasion after an enemy is strongly entrenched."

Dr. Wright said Russia has between 2,000,000 and 3,000,000 men under arms, compared to about 700,000 serving in the American army. He said the addition of two hundred thousand more troops to America's defensive power probably would be sufficient to establish bases in Europe from which to prosecute an all-out war.

Plan Future Patterns

The speaker did not predict that war is inevitable, but merely discussed probable actions if war should come. He said the diplomatic corps of all countries in their negotiations toward peace weigh each move carefully for what effect it might have on military strategy.

Russia's loss of manpower in the last war was given by Dr. Wright as one of the reasons why that country may not desire to enter into another armed struggle immediately. He said a strong army is America's best defense in these troublous times, and that an expanded army may be the answer to the Russian threat.

Max Byas, vice president, presided over the Optimist dinner at the Dunlap hotel. Announcement was made that club members and their wives will go to Springfield next month in a chartered bus to attend a skating revue at the state armory sponsored by the Springfield club.
